Description

The female figure, depicted in the form of a bust, wears a polos on her head. In addition, this is covered by a veil. The polos characterises the female figure as a goddess. The naming of the sitter as Demeter - goddess of fertility and agriculture - is not certain. - It is possible that it is the top of a clay lamp. (S. Grinat)

Basic data

Material/Technique: Clay / form the mould
Measurements: Height: 8 cm
